CYCLE OF PROCESS

WHO WE ARE

HOME DEN INTERIOR FIRM

is a creative and passionate interior design company committed to transforming spaces into beautiful, functional environments that reflect your lifestyle and personality.

With a team of skilled designers, craftsmen, and project managers, we offer end-to-end interior solutions—from concept and planning to flawless execution. Whether it's a stylish home, a professional workspace, or a commercial setup, we tailor every detail to suit your unique needs.

We believe great design goes beyond aesthetics—it should improve how you live and work. At **Home Den**, we blend innovation, practicality, and timeless style to create spaces that inspire and elevate everyday living.

WHAT WE DO

At Home Den Interior Firm,

we specialize in delivering complete interior design and execution solutions that combine functionality, aesthetics, and client vision. Our services cater to residential, commercial, and office spaces with a focus on quality craftsmanship and personalized design.

Our key services include:

- **Space Planning & 2D/3D Designs**
  Creative layouts and visualizations tailored to your needs and space.
- **Modular Kitchen & Wardrobes**
  Custom-built storage and kitchen solutions with a blend of style and utility.
- **False Ceiling & Lighting Solutions**
  Enhancing your interiors with smart ceiling designs and lighting setups.
- **Civil Modifications**
  Structural changes to align the space with your new design needs.
- **Painting, Wall Décor & Wallpapers**
  Adding the perfect finish to your space with modern textures and creative styles.

Furniture & Decor Selection

- From sofas to dining sets and curtains to accessories, we help you choose the
- right pieces.

Turnkey Project Execution

- From concept to handover, we manage the full process seamlessly.
- Whether it's a full home interior, single room revamp, or commercial setup, we make your space truly yours —with quality, comfort, and character.

TERMS & CONDITIONS

Project Initiation

- The project will commence only upon receiving the initial token advance as agreed.
- All necessary drawings and designs (2D/3D) will be shared for client approval before execution begins

Payment Terms

- Payments must be made in stages as per the agreed schedule.
- Delays in payment may result in project hold or delayed delivery.
- Final handover will be done only after full and final payment is received

Design Approval

- Once the design is finalized and approved by the client, no major changes will be entertained without cost implications.
- Additional changes after execution begins may affect project cost and timelines.

Material & Workmanship Warranty

- We provide a 10-year warranty on structural and modular work (such as wardrobes, kitchen cabinets, etc.).
- Warranty does not cover damages caused by misuse, negligence, water seepage, or natural wear and tear.

Project Timeline

- Estimated project timeline will be shared at the time of agreement.
- Timeline may vary due to unforeseen site conditions, material availability, or changes requested by the client.

Force Majeure

- Home Den Interior Firm shall not be held liable for any delays or damages caused due to events beyond control such as natural calamities, lockdowns, strikes, or pandemics.

Ownership of Work

- All designs and plans remain the intellectual property of Home Den Interior Firm unless otherwise agreed in writing.

Cancellation Policy

- In case of project cancellation after design finalization, the client shall pay for completed work, designs, and any material ordered.
- Token advance is non-refundable once work has commenced.
